

The Grand Commandery
Knights Templar of the Commonwealth of Virginia
Leadership Correspondence Course
Registration Form

Firmly believing that a better-educated membership is a necessary first step toward revitalizing and reinvigorating Templar Masonry in our great Commonwealth, your Committee on Leadership and Education proudly presents this Leadership Correspondence Course for the benefit of all Virginia Knights Templar.

Your Committee is charged with developing programs to foster education and to encourage our Fraters to assume a leadership role within the local Commanderies and in the Grand Commandery. This course is designed for self-improvement, but is just one way by which a Templar may improve himself. By actively participating in Commandery activities, attending ritual schools and District or Regional Leadership Conferences, and by taking an active role in the conferral of the Orders, it is hoped that we will enlighten and inspire our membership to achieve the goal of improving our Christian Craft.

Participation in the LCC will afford you a hand-on opportunity to research and become more knowledgeable of Templar Masonry, its organization, administration, laws, and teachings.

Two (2) courses are offered for your edification. The first course will cover the topic of Templar Law, and is offered at a cost of \$20.00. The second course will focus on matters pertaining to the Orders as well as general knowledge, and is offered at a cost of \$10.00. You may purchase either or both courses by mailing your check, payable to “The Grand Commandery of Virginia,” to Wallace E. Maybery, Jr., 417 Major Andre Drive, Virginia Beach, VA 23452. Upon receipt of your payment, you will receive either a password that will enable you to access the LCC online, or a “hard” copy of the course(s), should you prefer. Upon successful completion of the LCC, you will be issued a Certificate of Achievement.

Thank you for your kind consideration. We hope that you will avail yourselves of the opportunities presented in the LCC, and welcome your feedback and suggestions on ways to improve the Course.
